PROFESSIONAL SUMMARY

Full Stack Web Developer (MERN) with hands-on experience designing and deploying high-performance web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in responsive design, API integration, and website optimization. Redesigned and maintained multiple NGO websites, improving performance, accessibility, and user experience. Adept at working in collaborative environments and committed to delivering clean, scalable, and user-friendly solutions.

WORK EXPERIENCE

WEB DESIGNER & WEBSITE COORDINATOR *(NOV 2023 – AUG 2025)*
BUILD INDIA GREATER FOUNDATION, KERALA, INDIA

- Managed and updated organization and partner NGO websites with content, layout, and UI enhancements.
- Coordinated with clients and external developers to ensure accurate implementation of website features.
- Designed and produced digital and print materials including reports, posters, brochures, and campaign creatives.
- Developed responsive and user-friendly web pages with interactive elements.
- Ensured consistent branding and improved usability, accessibility, and performance across platforms.

FULL STACK WEB DEVELOPMENT TRAINEE (MERN STACK) *(DEC 2022 – JUN 2023)*
LUMINAR TECHNOLAB, KOCHI, INDIA

- Built and deployed responsive web applications using React.js, Node.js, Express.js, and MongoDB.
- Developed REST APIs and implemented JWT authentication for secure user management.
- Worked on real-time projects including e-commerce and canteen ordering platforms.
- Gained hands-on experience with state management, component-based architecture, and Vite.js workflow.
- Tested and debugged applications to ensure clean code and optimal performance.

FREELANCE FULL STACK WEB DEVELOPER
SELF-EMPLOYED

- Developed and deployed full-stack web applications using React.js, Node.js, Express.js, and MongoDB.
- Redesigned and optimized websites to enhance performance, responsiveness, and accessibility.
- Built responsive front-end layouts using React.js and Tailwind CSS with interactive UI components.
- Designed, developed, and integrated RESTful APIs for secure data handling and application functionality.
- Managed content updates, multimedia integration, and on-page SEO while maintaining consistent branding.
- Implemented GSAP animations and interactive features to improve user engagement.
- Collaborated with peers and stakeholders to gather requirements and deliver features on time.
- Conducted cross-browser testing and debugging to ensure high-quality and scalable applications.
- Provided guidance on website maintenance and content management for clients and teams.
